## TOWN WARRANT.

---

COMMONWEALTH OF MASSACHUSETTS,  
MIDDLESEX, SS.

*To any Constable of the Town of Weston,*

GREETING:

In the name of the Commonwealth you are hereby required to notify and warn all the inhabitants of the said town qualified by law to vote in elections and town affairs to meet in the Town Hall in said town on Monday, the 24th day of March current at 12 of the clock noon, at which time the polls will be opened and may be closed at 4 of the clock in the afternoon, to bring in to the subscribers their votes for the following town officers, each to be designated and all to be voted for in one ballot, namely:—

One selectman for a term of three years,  
One overseer of the poor for a term of three years,  
One overseer of the poor for a term of two years,  
One assessor for a term of three years,  
One member of the school committee for a term of three years,  
A treasurer and collector,  
An auditor,  
One library trustee for a term of three years,  
A library treasurer,  
One trustee of the Merriam fund for the silent poor for a term of three years,  
One park commissioner for a term of three years,  
One cemetery commissioner for a term of three years,  
One member of the board of health for a term of three years,  
Seven measurers of wood and bark,  
Three surveyors of lumber,

Three fence viewers,  
A pound keeper,  
Five field drivers,  
Seven constables, and  
A tree warden.

Also to vote "Yes" or "No" in answer to the question "Shall licenses be granted for the sale of intoxicating liquors in this town?"

and for the following purposes, to wit:—

ARTICLE I. To choose by separate ballot a moderator.

ARTICLE II. To hear and act upon reports of town officers and committees.

ARTICLE III. To determine whether the town will appropriate the sum of \$100 or some other amount, and elect a director for demonstration work in agriculture and home economics, the money to be expended by, and the director to serve in co-operation with the County Agricultural Trustees of the Middlesex County Bureau of Agriculture and Home Economics under the provisions of Chapter 273, General Acts of 1918.

ARTICLE IV. To determine whether the Town will vote to authorize the Selectmen to sell or otherwise dispose of the South School property, land and buildings, situated at the corner of South Avenue and Ware Street.

ARTICLE V. To choose a committee of not more than seven persons to investigate the matter of a proposed road extending Newton Street from its junction with Ash Street across to Central Avenue at some point near the junction of Concord Road and Central Avenue; to obtain the advice and assistance of the State Highway Commission in regard to the proper location of such road, and the cost of its construction, to confer with the owners

of the land which it would be necessary to take if such road is laid out in accordance with the advice of the Massachusetts Highway Commission, and to report concerning the matter at a future town meeting.

ARTICLE VI. To raise and appropriate by borrowing or otherwise such sums of money as may be necessary for all or any of the purposes mentioned in the foregoing articles, or as may be required to defray the expenses of the town for the ensuing year; and especially to act upon all the appropriations asked for or proposed by the Selectmen or by any town officers or committees in their reports.

And you are to servé this Warrant by posting three attested copies thereof according to the vote of the Town; namely, at the Town-house, at the Kendal Green post-office, and on the town bulletin board at the junction of South Avenue and Newton Street and Park Road seven days at least before the time appointed for said meeting.

Hereof fail not; and make due return of this warrant with your doings thereon to the Selectmen at the time and place of said meeting.

Given under our hands this sixth day of March in the year of our Lord one thousand nine hundred and nineteen.

(Signed) ALFRED L. CUTTING,  
HERBERT E. TYLER,  
*Selectmen of the Town of Weston.*

## REPORT OF THE SELECTMEN.

---

The Selectmen have the honor to submit the following report for the fiscal year ending December 31, 1918:—

The Board organized at a special meeting held March 25, 1918, by the choice of Mr. Benjamin Loring Young as Chairman and Mr. Alfred L. Cutting as Secretary. Stated meetings have been held as usual on the second Monday of each month. During the year 1918 the Board held sixteen formal meetings and conducted two public hearings; members of the Board have also held numerous conferences with County and State officials, and have attended hearings before Legislative Committees of the Great and General Court.

### **Appointments, Licenses, etc.**

The Board has made the usual appointments under the provisions of the Revised Laws of the Commonwealth. A list of these appointments will be found under the heading, "Officers of the Town of Weston, 1918," on pages 3 to 7 of this volume. The Board has also appointed certain Election Officers, Ballot Clerks, and Tellers for the various elections and primaries held during the past year, and has granted various licenses, all as appears in the Town Records at the end of this volume.

### Junk Licenses.

Licenses to collect junk in the town of Weston have been granted to the following:—

- G. Chused, Waltham.
- David Berman, 201 Felton Street, Waltham.
- Philip Levine, 22 Fountain Street, Waltham.
- Mark Baker, 134 Charles Street, Waltham.
- A. Holicker, 66 Charles Street, Waltham.
- Morris Roiter, 23 Beach Street, Newton.
- William Wigetman, 49 Felton Street, Waltham.
- J. Glassman, 128 Charles Street, Waltham.

Joe Roiter, 242 Adams Street, Newton.  
Samuel Griff, 49 Felton Street, Waltham.  
Samuel Rubin, 21 Cottage Street, Saxonville.

Dealing in junk by any person other than one of the above named is unauthorized and illegal. Complaint should at once be made to the Board and to the Chief of Police of all violations of this law.

### **Murder Reward Fund.**

An additional payment of one hundred dollars was received by the Town this year as a part of the reward offered for the apprehension of the person who committed the murder of Miss Mabel Page in 1904. This fund was established in 1904 and was distributed by the Selectmen in 1910. The one hundred dollars in question was received from Mrs. B. T. Morrison in payment of a subscription made by her father, the late Daniel L. Demmon, and which for some reason had never been called for by the Town. The money was divided under the terms of the original award. Mrs. Morrison is entitled to the thanks of the Town for carrying out this purpose of her late father.

### **Sale of Town Wood Lot.**

At a special Town Meeting held August 13, 1918, the Town voted to authorize the Selectmen to sell the town wood lot. This authority was exercised and the wood lot was sold to Mr. Charles H. Jones for the sum of one thousand dollars, which sum was turned into the treasury of the Town.

### **Gifts to the Town.**

The Town has been fortunate in receiving several valuable gifts during recent years. Mr. Horace S. Sears, in addition to the generous gifts which he made to the Town at the time of constructing and furnishing the new Town Hall and of which due record has been made, has during the past year given the handsome draperies which now ornament the upper Town Hall.

The group of statuary representing a family of Puritans and which has been placed in the lower Town Hall was the gift of Mrs. William B. Clarke, formerly of this town and now of Belmont.

One of the most interesting gifts ever received by the Town is a portrait of Amos Harrington, who was a resident of the town during his whole life, from 1754 to 1846; a member of the School Committee in 1797, 1799, 1800, and 1802; a Highway Surveyor in 1787 and 1794; and a member of the Board of Selectmen from 1803 to 1805. This notable portrait was the gift of the heirs of Charles H. Livermore: Mrs. Charles H. Livermore, Weston; Mrs. Alfred L. Cutting, Weston; Mrs. George B. Newton, Oxford, Mass.; and Mr. Charles H. Livermore, Middleboro, Mass. The cordial thanks of the Town have been tendered to them by the Board of Selectmen.

The Selectmen hope that from time to time there may be acquired articles of historical interest in connection with the history and development of the Town,—such articles as portraits or pictures of early town officials, relics of the Town in the days of the Colony and Province as well as the Commonwealth,—and in this way enrich the Town Hall and make it a storehouse of historic and antiquarian interest.

### Weston and the War.

The people of Weston have reason to be proud of the splendid record that has been made by the inhabitants of the town during the war with Germany. According to the best information at hand we believe that 147 men of Weston have entered the service of the nation. Six have already given their lives as a patriotic sacrifice for freedom. A complete list of our soldiers and sailors appears on another page of this report. We call attention to this list and we urge all people of the town to send in to the Selectmen additional information or corrections in connection with this list. It is the purpose of the Selectmen to keep a card index file in the Town Hall which will show the complete military service of each soldier and sailor from Weston. We understand that letters have already gone out asking relatives and friends to secure

this information and we take this opportunity of requesting the men of Weston as they return from ship and camp to register at the Town Hall in order that we may know that they have returned safely home.

The record is not less notable in connection with the work of our people for the Liberty Loans issued by the United States Government and also the subscriptions to the Red Cross, the Y. M. C. A., the K. of C., and all the other patriotic enterprises aimed to secure funds to cheer and protect the armed forces and so assist in the winning of the war.

Special reference should be made to the splendid work accomplished by the women of Weston through the Red Cross, French Relief, Canning Kitchen, and kindred organizations.

Soon after the signing of the armistice a committee was appointed to arrange for a suitable reception for our soldiers when they return home.

The Selectmen suggest that a committee be appointed at the Town Meeting for the purpose of collecting in permanent form information with regard to all the war work accomplished by the people of Weston in order that future generations of the town may know what was done here during the war with Germany.

### **Reduction of Town Debt.**

At the special Town Meeting held August 13, 1918, the Town appropriated the sum of \$25,000 for the purchase and retirement of outstanding bonds. Pursuant to that authority the Selectmen purchased and cancelled the following Town Hall bonds:—

Bond No. 47, due March 1, 1928, with 19 coupons attached.

Bond No. 48, due March 1, 1928, with 19 coupons attached.

\* Bond Nos. 61, 62, 63, due March 1, 1932, each with 27 coupons attached.

\* Bond Nos. 64, 65, 66, due March 1, 1933, each with 29 coupons attached.

\* Bond Nos. 67, 68, 69, due March 1, 1934, each with 31 coupons attached.

\* Bond Nos. 70, 71, 72, due March 1, 1935, each with 33 coupons attached.

\* Bond Nos. 73, 74, 75, due March 1, 1936, each with 35 coupons attached.

The balance of the appropriation is still available for the purchase of bonds. Owing to the investment value of bonds of this

\* Purchased since the close of the fiscal year.

Town it is difficult to persuade the owners to sell them at a reasonable figure. The Selectmen hope to be able to purchase enough bonds during the coming year to exhaust the appropriation and the Selectmen recommend a continuance of this policy of appropriating funds to take care of debts coming due in the future.

Exact figures as to the total appropriation this year not being available at the date of writing, no appropriation recommendation is made with regard to further reduction of debt. If, however, the financial condition of the Town warrants it, recommendations in the matter will be laid before the Town at a later date.

### **Highways.**

We ask the especial attention of the citizens of the Town to the report of the Superintendent of Streets. At the last annual Town Meeting \$19,000 was appropriated for General Maintenance of Highways. While this appropriation was exceeded by about \$1,100, the cost of labor and materials was about 74 per cent. more than in normal times. In view of this largely increased cost we feel that the Superintendent is to be congratulated for the fine showing made during the year. While no permanent construction has been attempted, the roads throughout the town have been kept in splendid condition. We feel that the Town is extremely fortunate in having so competent and efficient a Superintendent.

### **Special Articles in the Warrant.**

Article III is inserted at the request of the Middlesex County Bureau of Agriculture and Home Economics. Articles IV and V are inserted on petition of the requisite number of voters of the Town, as required by law.

## REPORT OF LOCAL MOTH SUPERINTENDENT.

---

TO THE BOARD OF SELECTMEN:

*Gentlemen*,—To my great satisfaction the year 1918 marked the low water mark for at least ten years in the damage caused by the gypsy moth caterpillars. I had hoped that this lessening in numbers of this pest was due to the increase in numbers and effectiveness of parasites of it and would thus be permanent. The scientists at the Melrose laboratory, however, are positive that the chief factor in its control was the very severe winter preceding and that we must expect an increased number of gypsy moths this year. Brown-tail moths fortunately continue very scarce.

I have secured a very few nests for the laboratory, which is in want of them, and I will be pleased to forward any that may be brought to me.

I recommend an appropriation of \$3,000 for this work for the present year.      Respectfully submitted,

EDWARD P. RIPLEY.

---

## REPORT OF THE TREE WARDEN.

---

TO THE BOARD OF SELECTMEN:

*Gentlemen*,—Owing to the scarcity and high cost of labor during the year 1918 and the necessity of every available man being employed in producing lines, I have felt that it was not only good policy but our duty to get through the year with the least possible expenditure of labor on the street trees.

A few trees were planted in open spaces in the Silver Hill District, and I hope to continue the planting there this year.

Considerable pruning that was neglected the past year should also be done this year.

I therefore recommend the usual appropriation of \$500 for this work.      Respectfully submitted,

EDWARD P. RIPLEY,  
*Tree Warden.*

## REPORT OF THE SUPERINTENDENT OF STREETS.

---

WESTON, MASS., December 31, 1918.

**TO THE HONORABLE BOARD OF SELECTMEN:**

*Gentlemen*,—I respectfully submit herewith the annual report of the work done by the Highway Department for the year ending December 31, 1918.

There has been expended for the general maintenance of highways \$19,828.90, divided among the several streets of the Town approximately, as follows:—

* Other expenses . . . . .	706.96	409.75	689.25
Machinery and equipment . . . .	2,500.00	3,709.90	—

	<hr/> Grand Totals . . . . .	<hr/> \$26,401.42	<hr/> \$26,960.22
			<hr/> \$24,240.91

The above table will show that, in spite of the great increase that has taken place in the cost of both labor and materials during the last two years, the total expenditures on the streets have not increased correspondingly.

#### 74. Per Cent. Increase in Cost of Labor and Material.

The following table will show the percentage of increase that has taken place in the different items of work from 1916 to 1918:—

<i>Item.</i>	<i>1916.</i>	<i>1918.</i>	<i>Per Cent. Increase.</i>
Labor . . . . .	\$2.00	\$3.50	75
Tarvia B (per gallon) . . . . .	.06½	.13	100
Tarvia K. P. (per gallon) . . . .	.10	.19	90
Light oil (per gallon) . . . . .	.07	.15	114
Coal (per ton) . . . . .	5.00	11.00	120
Double teams . . . . .	5.50	7.50	36

\* Expenses incurred for water fountains, signs, and care of lights and signs.

Using the percentage of increase shown in the above table and giving each item a weighted value according to the expenditures shown in the Auditor's Report, we get an average increase of 74 per cent, in the cost of doing work since 1916. Thus, using this 74 per cent. increase as a basis, it may readily be seen that our 1918 appropriation of \$19,000 would have to have equalled \$31,500 in order to be equivalent to the \$18,000 appropriation of 1916; or, in other words, \$19,000 in 1918 would do no more work than \$11,000 would have done in 1916.

### **Summary of 1918 Work.**

The type of work done during the past year has been almost wholly of a maintenance nature.

Early in the season, as the frost came out of the ground, several of the back roads were impassable to the automobilists and our first work was to put them in proper condition. This was done by hauling sandy gravel from the most available pits and filling up the soft places. Next, all the gravel and earth roads were scraped and shaped, the gutters and waterways opened, and, finally, the road surface rolled. As far as possible the above work was done before the road was fully dried out, for it can then be done most economically.

Attention was then given to the roads with bituminous surfaces, and, as fast as we could get out the sand covering and prepare the surfaces for their treatment with our limited force of men, we applied tarvia to them at a rate of about one-fifth of a gallon per square yard. This tar work along with the continued patching of the tar surfaces both before and after treatment, together with shoulder work and the mowing of brush along the tar roads, took most of the summer.

South Avenue was gone over carefully, and wherever it was too rough it was spiked up and reshaped before being treated with tar. Brush was cut along the sides of the road and the shoulders were scraped the entire length.

Newton Street, School Street, and a part of Wellesley Street

were treated in somewhat the same way. The shoulders were scraped, tar bunches removed or planed off, and in places the surface was spiked up and re-rolled in order to smooth them out and they were then treated with a light seal coat.

North Avenue was treated with tar late in the year, in order that it might go through the winter better, also brush was cut the entire length and over a portion of the road the shoulders were scraped. At a point several hundred feet east of the Lincoln line, where the brook crosses the street, the head walls of the old culvert were rebuilt, raised up and extended, and a new guard rail built on top, thus making safe a place that has long been a source of danger on a slippery road.

The sections of bituminous macadam recently built by the Town are in very good shape, and outside of a seal coat of Tarvia A put on the Concord Road section they have required very little attention.

### **Bituminous Material.**

Approximately 41,000 gallons of bituminous material was used during the year. This compares with an average of 71,000 gallons used during each of the three previous years.

Tars and oils were both hard to obtain during the whole season, and it was necessary to get a government permit for their use. In one instance we waited about five months for a shipment of oil from the time it was shipped by freight till the time it was received.

We were fortunate in having made a contract with the Barrett Company in January, 1918, for 40,000 gallons of Tarvia B at a price of 10 cents per gallon, F. O. B. Everett. A few weeks later, the price of Tarvia B was advanced to 12 cents per gallon, and it remained at 12 cents throughout the summer. This year we will have to pay the increased price, which means an increase of 20 per cent. in the cost of tar and which will cost us 15 cents per gallon applied on our roads.

In addition to Tarvia B, we used a little Tarvia A, a little 45 per cent. asphaltic oil, and for patching work we used mostly

K. P., a Cold Patch made by the Barrett Company, and a small amount of No. 4 oil and Headly Cold Patch. Practically all the patching was done with cold material in order to save the expense of heating.

### **Ledge and Boulders Blasted.**

Certain streets, including Conant Road, Summer Street, and those around Pigeon Hill, were gone over carefully, their entire length, with a steam-drilling outfit attached to a steam roller, and every piece of ledge or boulder that projected into the road surfaces was drilled and blasted. The holes thus made were filled with crushed gravel, and it was our intention to widen and reshape these streets with a road machine and roll them out smooth, but lack of time and cold weather interfered with our plans. This work will be finished in the spring.

The blasting work on the back streets was carried out along the same-lines as used on Concord Road and other streets in 1917. A total of  $5\frac{1}{2}$  miles of road was gone over this year, and at the same rate for another season, our roads will soon be free from the outerop of ledge and boulders. This work makes a very marked improvement in the riding qualities of the roads, and after they are widened they will look like different streets.

### **Sidewalk Work.**

The regular appropriation was spent wholly on the maintenance and resurfacing of existing walks. The plank walk on Central Avenue between the Stony Brook station and the Waltham line was raised up and strengthened and the gravel sidewalks at the Weston station were gone over, the weeds removed, and screened gravel added. On Church Street, west of the Kendal Green Station, a portion of the old tar sidewalk was raised up to the grade of the new road in order that it might be free from water in the spring of the year, and that portion adjacent to it on the

hill at Mr. A. L. Coburn's was resurfaced with one-coat work. This latter piece had become ravelled and worn out, and was a source of danger. Also a short piece of tar walk was resurfaced between the Kendal Green Post-office and the watering-trough.

The special sidewalk on the southerly side of Central Avenue was not started till late in the year, due to the shortage of labor, and we were not able to complete it. Our original plan of a granolithic walk between the row of trees and the wall with a grass plot in front was changed to a gravel walk. This walk was laid from a point opposite the old hay-scales to the Post-office, it being necessary in one place just west of the fire station to rebuild a portion of old wall that was not strong enough to fill against, also a piece of ledge had to be blown out opposite the Jones place.

This sidewalk will be completed this year and extended to the corner of School Street at the Library. Additional drainage will be put in near the Post-office where water now stands and catch-basins inserted where needed. For this drainage work the State has agreed to contribute about one-half of the cost, as their road drainage is unsatisfactory at this point.

There are two streets in town where I think sidewalks are badly needed and where I hope money may be available this year to make a beginning on each; namely, both ends of Newton Street, and Merriam Street from the Silver Hill Bridge to North Avenue. Both of these streets are very narrow, and there is a great deal of walking on them. I would recommend that steps be taken to plan for a sidewalk on both of these streets.

### Catch-Basins and Culverts.

New basins or inlets were built at the following locations: South Avenue near Mr. Preston's; Park Road opposite drive to Hubbard Estate; and Concord Road near Fiske Street; also old catch-basins, whose outlets had been lost or destroyed, were made operative on North Avenue, South Avenue, and Ox Bow Road. Culverts in all parts of the town were cleaned and their outlets opened wherever there were any obstructions.

### Street-Signs and Guide-Posts.

Twenty street-signs, made up in one-piece sign-boards, along the same design as used in previous years, have been placed during the year, located as follows: Ox Bow Road, School Street, Intervale Road (2), Brown Street, Ridgeway Road (2), Silver Hill Road (2), Fiske Street (2), Hill Top Road (2), Highland Street (2), Love Lane (2), Warren Avenue, Golden Ball Road, and a danger sign at top of steep grade on Loring Street. These signs are made up with black letters on a white background, and up to the present time have been lettered only on one side, but their construction is such that they can readily be changed so as to read on both sides. This work will be continued till all the streets in town are properly posted.

### Machinery and Equipment.

Machinery and equipment purchased during the year consists of one 100-gallon tar-kettle for road-patching; one Minnesota road drag, one split-log drag, and one dozen drills, besides perishable tools.

One piece of machinery that the Town needs is a motor for running the crusher. During the past three years we have been using one belonging to the Weston Water Company which they had bought for a spare. We have paid no rental on this motor and they now offer to sell it to us for just what it cost them to put it on our job in 1915, in spite of the fact that the same motor, new to-day, would cost us \$200 more. I recommend that we buy their motor, which was new when we first used it, and which could not be duplicated now at any such price as they offer it to us, and I wish to thank the Weston Water Company for the use of it the past three years without charge to the Town.

One other piece of machinery that I would recommend to the Town is a "Pressure Cylinder Scarifier," an attachment to be added to the rear end of a steam roller for scarifying the road surface. This attachment interferes in no way with the opera-

tion of the roller, as a roller, and it is capable of scarifying or breaking up more surface in an hour than can be done by any other means in twice the time.

### Cost Data.

The costs for operating the different pieces of machinery belonging to the Town, for the past year, have been as follows:—

	Total.	No. of Days Operated.	Cost per Day.
Operation of roller (exclusive of engineer) . . . . .	\$698.95	162	\$4.31
Operation of crusher and loader (including labor) . . . . .	\$1,268.55	40	\$31.71
	Miles.		Cost per Mile.
Operation of autocar (exclusive of driver) . . . . .	\$1,133.88	9,948	\$0.114

The above costs include all repairs, maintenance, fuel, and power, but do not allow for the overhead charges of interest and depreciation. Adding the overhead charges and also the roller engineer and truck driver on the roller and truck, respectively, we get the following data, which is very nearly correct:—

Operation of roller (per day):—

Coal, repairs, insurance, etc. . . . .	\$4.31
Overhead charges (interest and depreciation) . . . . .	1.75
Engineer . . . . .	5.00
	_____
	\$11.06

Operation of autocar (per mile):—

Gas, oil, tires, and repairs . . . . .	11.5 cents
Overhead charges (\$82 interest and \$650 depreciation) . . . . .	7.3
Driver (average, 50 miles per day) . . . . .	8.0
	_____
	26.8 cents

Or on the basis of 50 miles per day cost is about \$13.50 per day.

Operation of crusher and loading machine (per day):—

Labor, repairs, and maintenance . . . . .	\$26.71
Power (\$200) . . . . .	5.00
Overhead (\$400 depreciation and \$160 interest) . . . . .	14.00
	_____
	\$45.71 per day

1,284 loads crushed—40 days, equivalent to 32 loads or 64 tons per day, at cost of \$1.43 per load, or  $71\frac{1}{2}$  cents per ton, or 95 cents per cubic yard. Adding the first cost of the gravel in the pit at the rate of 25 cents per load, our crushed material costs us 84 cents per ton in the bins, or \$1.68 per load, or \$1.12 per cubic yard.

NOTE.—Crushing costs are for crushing gravel and include loading and hauling to crusher.

These costs compare in every case, favorably to the Town, when compared with outside rental or production, as the hire of a steam roller would cost us from \$15 to \$18 per day, an autocar truck \$2 per hour, and stone at the Stony Brook crusher sells at \$1.50 per ton.

The above, I think, will show that our machinery has been operated quite efficiently and is saving money for the Town over the cost of hiring machinery or buying stone.

### Main Roads and Other Roads.

The main roads of the town, as classified in my 1917 report, received a much larger volume of travel during the past year than ever before. This was especially true on North and South Avenues. North Avenue carried a large portion of the travel from Boston to the Ayer Camp, it being the shortest route, and for the greater part of the summer the state highway between East Lexington and Concord was closed, thus increasing our travel. For a period of about six weeks the army trains of motor trucks passed over North Avenue twice daily. The travel on South Avenue was increased much beyond normal, first, due to the camp grounds at Framingham, and, secondly, due to the

state road from Wayland to Marlboro being closed for reconstruction and practically all the motor trucks travelling between Worcester and Boston soon learned to take the South Avenue route as the shortest and best road.

For the above reasons, the expenditure on the main roads was higher than I anticipated. The average expense on the  $9\frac{1}{4}$  miles of main streets was \$871 per mile. This compares with my estimate of \$600 per mile, made last winter when labor and materials were both lower than at present.

The average expenditure on the  $14\frac{1}{3}$  miles of secondary roads (as classified in 1917) was \$456 per mile against an estimate of \$400 per mile, made a year ago. I might add that 80 per cent. of the secondary roads are streets treated with bituminous material.

The "other roads" or "side roads" of the town had an average expenditure of \$250 per mile against an estimate of \$300 per mile in my 1917 report.

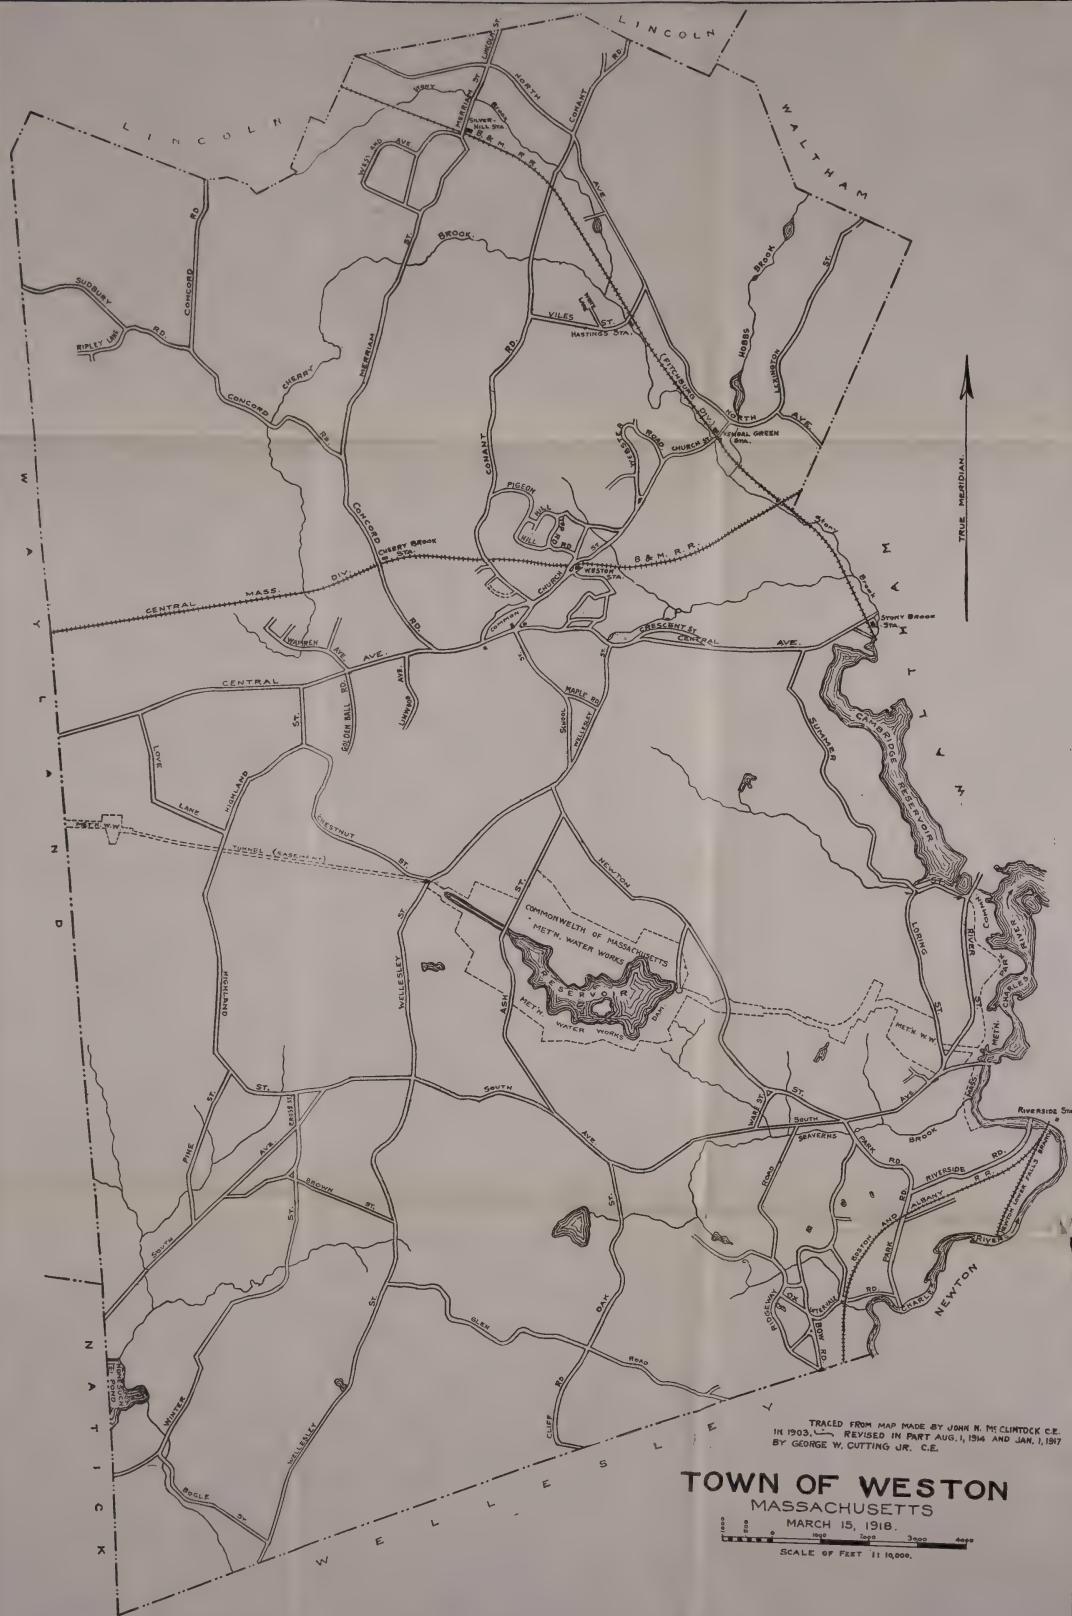

The average expenditure per mile for 1918 of all roads in the Town, including the cost of supervision, administration, and other expenses, but omitting the money spent on sidewalks and snow and ice, was less than \$500 per mile. This compares very favorably with statistics collected by the Massachusetts Highway Commission and published in their 1916 annual report. There it is shown that the average per mile for all roads in Middlesex County was \$637 in 1916. Weston's expenditure in that year was \$600 per mile, while several towns such as Arlington, Belmont, Manchester, Nahant, Swampscott, Watertown, and many others spent more than \$1,000 per mile.

### Snow and Ice.

The appropriation for snow and ice was exceeded slightly during 1918, due mostly to the purchase of two new sidewalk ploughs. The present winter has been very easy on the appropriation, but last winter, most of which fell in our 1918 year, was very severe.

The rapid increase in the number of automobiles and trucks

*Macroph. rufa*

during the last two years, together with the fact that most of the school-children are now carried to school in trucks or autos, makes it necessary to plough the streets as well as the sidewalks for any snow that may obstruct their movements.

### **Newton Street.**

The relocation and widening of Newton Street from Ash Street to Wellesley Street, which has been under consideration since 1913 when a petition for same was filed with the County Commissioners, is now about ready for action.

This relocation, which is really a connecting link between Newton Street and School Street, is made to eliminate the two bad corners at School and Wellesley Streets and Newton and Wellesley Streets. It has been given a good deal of study by the County Commissioners and their engineers and two or three solutions have been considered. Hearings have been held at the Weston Town Hall and at the Court House at Cambridge and the different plans shown.

The Commissioners are now about to issue a decree for this relocation. The plan they wish to adopt is substantially the layout made by them in 1917, modified in 1919 after the last two hearings at Cambridge. In their proposed plan, Wellesley Street as a through route has been changed a little by throwing the road out in front of the Misses Case house, but it is a change that will make the corner of School Street safer, and it seems to me that the advantages gained outweigh the disadvantages.

For the layout, as proposed by the County Commissioners in 1917, the Misses Case have offered to contribute \$9,000 towards the expense of the relocation, to contribute all the land, to do all their own grading, and to rebuild most of the new walls. This offer, which I hope will still hold good on the modified plan, will put this improvement within the reach of the Town for a sum of \$4,000 to \$5,000, the estimate being about \$14,000 for the total cost.

### **Relocations of Other Roads.**

On the Concord Road layout, made by the County Commissioners three or four years ago, there still remains the wall on the westerly side of the road, between Central Avenue and the railroad bridge, to move back to the line. I would estimate the cost of moving this wall as \$1,000, and I would recommend that it be done so as to clean up that location. The road surface there can be built at some future time.

A petition was filed with the County in November, 1918, to lay out North Avenue from the Waltham line to the Lincoln line. This was done in connection with a layout, made the past year in the town of Lincoln, beginning at the Weston line. This layout does not involve any construction. It is to be made to establish the street lines so that abutters may have them, but in some places it will probably improve the line by straightening. I recommended this as I thought that these lines should be established before any further buildings were erected that might make it more expensive.

### **Recommendations.**

For the coming year I would make the following recommendations:—

General maintenance . . . . .	\$24,000.00
Machinery . . . . .	500.00
Sidewalk, maintenance . . . . .	1,000.00
Special sidewalk—Newton Street . . . . .	500.00
Special sidewalk—Merriam Street . . . . .	500.00
Snow and ice . . . . .	700.00
Other expenses . . . . .	500.00
Newton Street relocation . . . . .	5,000.00
	<hr/>
	\$32,700.00

The total amount of the above recommendations is about \$6,000 more than the average expenditures of 1916 and 1917, and

the increase will be spent for the most part on the relocation of Newton Street, an unusual expense. Considering the depreciated value of the dollar, I do not think the above recommendations are too high.

I wish to again express my appreciation for the help rendered by Mr. Upham, who has acted as foreman during the past season, and also to the several men of the department, most of whom were with us a year ago. They have all shown a very good spirit of co-operation.

Respectfully submitted,

RAYMOND W. COBURN,  
*Superintendent of Streets.*

## REPORT OF THE SCHOOL COMMITTEE.

---

The School Committee respectfully submits the following report for the year ending December 31, 1918:—

At the annual Town Meeting held on Monday, March 25, 1918, Mrs. Carolyn E. Burrage was re-elected for a term of three years.

The Committee organized at its meeting held on April 2, 1918, by electing Mrs. Carolyn E. Burrage, Chairman, and Mr. Charles O. Richardson, Secretary.

Eleven regular meetings and two special meetings were held during the calendar year.

Mr. Charles M. Eaton, Superintendent of Schools, Mr. Darius B. Vittum and Mr. Frank H. Upham, Attendance Officers, and Mr. Allan Cameron, Custodian of Buildings and Grounds, were all reappointed.

The school census taken as of September, 1918, was as follows:

396 between the ages of five and sixteen.

57 five years of age or over, and under seven years.

268 seven years of age or over, and under fourteen years.

71 fourteen years of age or over, and under sixteen years.

Illiterate minors, 0.

### Teachers and School Attendance.

Mr. Charles M. Eaton was duly appointed Master of the High School, and in addition the following teachers were reappointed as regular teachers in the schools for the year 1918-19:—

Mr. Hollis D. Hatch.	Miss Emma F. Ripley.
Miss Constance Burrage.	Miss Helen Green.
Miss Virginia Mabry.	Miss Laura M. K. Fisher.
Miss Hazel M. Staples.	Miss Alice M. Hosmer.
Miss Annie R. Jameson.	Miss Ella Richardson.
Miss Rebecca McKenna.	Miss Emily F. Adams.

Miss Elizabeth Viles.

And in addition to the above the following were appointed:—

- Drawing—Miss Sarah E. Jewett.
- Music—Mr. Charles E. Boyd.
- Manual Training—Mr. Philip E. Perry.

Later in the year Mrs. Helen G. Hill was appointed a regular teacher.

Dr. Fresenius Van Nüys was appointed School Physician, but upon his appointment to a position in the United States Navy his resignation was accepted and Dr. Kenneth F. Albee was appointed in his place. Dr. Albee had barely started on his duties when his death occurred, but he had begun his work with an interest and enthusiasm that assured a pleasant and efficient association. Shortly thereafter Dr. Chandler Robbins was appointed to the position, which he now holds.

The schools of Weston, in common with those of other communities, have passed through a most trying period on account of the influenza epidemic, a closing of several weeks at one time being necessary, and the position of School Physician has carried much responsibility.

The Committee again wishes to express its appreciation to Mr. Horace S. Sears for continuing to grant to the teachers the free use of one of his houses on Central Avenue known as the "Teachers' Lodge," which continues to add greatly to the comfort of its inmates and to the efficient management of the schools.

For the school year ending June 30, 1918, the average daily attendance has been 305, and the schools were actually in session 164 days, having been closed 17 days because of influenza.

## Appropriations.

At the annual Town Meeting held on March 25, 1918, the sum of \$33,000 was appropriated for the use of the schools, and at a special Town Meeting held later in the year a special appropriation of \$1,500 was made to cover extraordinary expenditures for fuel and light to December 31, 1918.

The School Committee now recommend for the ensuing year appropriations as follows:—

Administration including salaries . . . . .	\$850.00
Other general expenses . . . . .	400.00
Teachers' salaries . . . . .	19,000.00
Text-books and supplies . . . . .	2,000.00
Transportation of pupils . . . . .	7,500.00
Janitor's services . . . . .	1,600.00
Fuel and light . . . . .	3,500.00
Maintenance of buildings and grounds . . . . .	3,000.00
Other expenses . . . . .	500.00
Tuition . . . . .	350.00
 Total . . . . .	 \$38,700.00

The Committee wishes to state that the increase in the appropriation required for the maintenance of buildings and grounds is to cover necessary repair work which the Committee intended to have done last year, but on account of the difficulty of having proper repair work done in the summer of 1918 it decided to postpone such portion of it as could be postponed until another year. This work must now be done, as it cannot be longer delayed without the possibility of deterioration in the plant, which should be avoided. It includes painting the outside of the Grammar School building and such portion of the Primary School building as is necessary, refinishing certain rooms inside the High School, and extending the drainage system, which has proved to be inadequate.

### **Transportation.**

No increase in the appropriation for transportation was requested last year. It is now found that in order to insure satisfactory transportation for the ensuing year an increase in the appropriation will be necessary, and this has been asked for.

The Committee wishes to call the attention of the citizens of the town to the dangerous grade crossing at the Kendal Green station. While conditions there are no different than they have been for many years, the fact remains that the greatest number of children that are transported in any one barge cross the railroad at grade at this point twice daily; and, while every precaution is being taken, it is a condition that should not exist and should be given careful consideration.

### **Work in the Schools.**

Details of the work that is being done in the schools will be found in the reports of the Superintendent of Schools and of the special teachers that follow.

CAROLYN E. BURRAGE,  
WARREN P. ADAMS,  
CHARLES O. RICHARDSON,

*School Committee of Weston.*

## Superintendent's Report.

WESTON, MASS., January 6, 1919.

Mrs. CAROLYN E. BURRAGE, Chairman of the School Committee:

*Dear Madam*,—The year that has elapsed since my last report has been rather a disturbed one. During the cold months we were in constant doubt of our ability to get coal enough to remain in operation, although, as finally resulted, not one day was lost on that account. Since the beginning of the new school year, not only has the school lost many days of session owing to the influenza, but many individual pupils have lost time through illness and consequent absence.

These conditions demand from the teachers unusual efforts to make the year's work anywhere near complete, and make it necessary for the pupils who wish to succeed to give unusual attention and industry to their work. Some of the pupils thoroughly realize this, but others, as so often happens, do not.

### HEALTH CONDITIONS.

The schools of to-day protect the health of the attending children to a marked degree: first, in the oversight by the School Physician, who inspects them each Monday morning, and oftener, if necessary; second, by the experienced observation of the teachers, who report any cases of illness as soon as they are observed, and have the children sent home at once, if necessary. In addition to this oversight, the ventilation of the rooms is so good that evils due to crowding and bad air are eliminated; and physical exercise between the periods of study stimulates the circulation, and opens the lungs, and squares the shoulders.

The school lunches during all the winter weather give a light but nourishing meal to those who wish it, and make the cold luncheon unnecessary.

Such of the small children as can be taken home, or can themselves go home at twelve o'clock, are allowed to be dismissed at that time, shortening the day for the youngest pupils to a considerable extent.

In accordance with the vote of the school committee, children who are sick at school, or are excluded in school hours for fear of some contagion, are sent home by carriage unless they live near at hand.

In all these ways the best interests and the good health of the children are carefully protected.

### ATTENDANCE.

Present methods of guarding public health by exclusion of children from school, and prompt closing of schools in epidemics, cut severely into children's attendance and school work. Of course such exclusion is necessary and proper; but school work suffers severely, especially when all the children

in a large family must stay out while the sickness passes on from one child to another. In some cases distance from school on stormy mornings prevents those who do not live near the barges from coming. Some children are wonderfully regular in attendance despite these drawbacks. Others, however, are repeatedly absent without good cause. When the town furnishes as good and expensive schools, oversight, and transportation as it does, it seems unfortunate that children should remain out except for the very best of reasons. Errands on school days when Saturdays are available, lack of rubbers for wet weather, needless fear of contagion,—all these frequently deprive children of days of teaching, and cause them to lose interest. Parents are urged therefore to make every effort to avoid absences for any except very necessary reasons.

#### TEACHERS.

Since the date of my last report no changes have been made in the list of teachers. Mrs. Hill was induced to take the eighth grade for the year as a regular teacher. Her aid as substitute being thus denied to us, we have been fortunate in getting Miss Perry in the lower grades, and Mrs. Morrissey in the upper grades to do substitution when regular teachers are ill. We have been very fortunate to keep the same teachers, especially as revision of salary lists are making positions in many places better paid than with us. For a part of our ability to retain our teachers in Weston private benefaction is responsible; but the town can hardly expect to depend on that inducement permanently, and advances in salary for next year will certainly be necessary.

#### WAR SERVICES.

Various forms of War Service have been continued. Pupils have worked for the Red Cross, have industriously collected nuts and peach-stones for gas-mask uses, have subscribed liberally to the Work and Earn department of the United Drive movement, and have steadily continued the purchase of Thrift Stamps.

In addition to this they have distributed posters and notices of various war activities through the town and have done good work in obtaining Red Cross subscriptions during the summer vacation.

Above all, credit is due to children who have themselves earned, and cheerfully paid in, money for the soldiers in the United Drive movement, as mentioned above. This money reached a total of \$219—a large sum for the children themselves to earn.

Many of these activities have meant extra care and work for the teachers, and have taken precious minutes from the school day; but the sacrifices were well worth while, and are now, happily, on the whole, things of the past.

### TEACHING FOR CITIZENSHIP.

As was stated in last year's report under this title, effort has been made throughout the schools, but particularly in the High School, in classes in History and in English, to teach good citizenship, patriotism, and sound thinking. This part of the duty of the school is most important, and is being fully and squarely met.

### PHYSICAL CULTURE.

One of the lessons of the war, as read by educators throughout the country, is the necessity for attention to the development of the body, and to better physical condition of the school-children. During the past year especial care has been given to the physical condition of the girls in the High School. By the generosity of a citizen of the town, an expert from Dr. Sargent's School of Physical Culture was brought in, and recommendations made by her plainly benefited several of the girls, and probably saved one or two others from serious consequences. The school can do little, however, for those of the pupils who do not care to exert themselves for their own good; and parents of the pupils, boys and girls alike, should lend their help to what the school is trying to do by realizing that the physical training is important and expecting the children to profit by it.

### SOUTH SCHOOL.

As was indicated in the last report of the Committee would be the case, the South District school was closed, beginning in September. Not only has a saving of money to the Town resulted, but the children themselves have benefited by the more accurate teaching possible in one-grade rooms, by closer oversight, and greater conveniences of equipment. The transportation problem has hardly been affected by the change.

### MAINTENANCE OF BUILDINGS.

Certain expenses must certainly be met next year, which have now been several times postponed. The Grammar building must be painted, the Primary building must have its door and window casings and other outside woodwork repainted, and the interior of the High School, hardly touched in the twenty-two years since it was built, must be thoroughly done over.

### STATISTICS OF ATTENDANCE.

Elsewhere in the report will be found a tabulated statement of the attendance in the various schools. This record has been changed from past customs, in accord with the change in the Town Report itself, to run from January 1 to December 31 of each year.

## PUBLIC OCCASIONS.

Since the last report the public occasions of the school have been four, Debate and Declamations, the High School Play, Parents' Day, and Graduation. Programs of all are appended.

## PRIZE ESSAYS.

Prizes aggregating fifty dollars were again offered by Mr. Horace S. Sears for the three best essays on "Price Fixing by Government Action." Prizes were given to the following pupils:

First Prize, WARREN F. EATON.

Second Prize, MAY A. JONES.

Third Prize, VIRGINIA M. GILES.

## THE CHARLES J. PAINE SCHOLARSHIP.

This scholarship, which is supporting the ambition of pupils for advanced education, and is thereby promoting the spirit and welfare of the school, is this year held by Harold A. Mosher, at the Massachusetts Institute of Technology.

## ANOTHER SCHOLARSHIP, AT A WOMAN'S COLLEGE.

In our High School and in many other high schools the ambitious girls are unhappily likely to outnumber the ambitious boys. It is nevertheless a fact that while one boy each year may look forward to a generous scholarship for the first year of his course, the same is not true of the equally, or still more, deserving girls. If any one whose eye may fall upon these lines wishes to give encouragement to a whole series of girls, year after year, and to do for them what the Charles J. Paine scholarship now does for the boys, he or she will find a splendid opportunity in this way for doing good, and establishing in one more spot "equal opportunity for woman."

No report would be complete which omitted all reference to the faithfulness and earnestness of the teachers of the schools. Their efforts under the trying conditions of this year, and their loyalty to the work, have well deserved my bringing them to the favorable notice of the Committee and through the Committee to the approval of the townspeople.

Yours truly,

CHARLES M. EATON,

*Superintendent of Schools.*

## Report of the Instructor of Manual Training.

I am glad, in this my fifteenth annual report, to be able to say that the enthusiasm for this part of our school curriculum still holds.

A gratifying majority have come to see that it pays to "try, try again" and that it is vastly better to produce even one well-made article than any number of poorly constructed ones of evident shiftless effort.

There is, of course, among a few some demur at repeating an exercise, but the smallest boy has in the last year come to realize the full meaning of the word "slacker," and the mere intimation of the word has a most stimulating effect on the "slow of heart."

We are all aware of the great deterioration among manufactured goods in many lines within the last year.

No one thing could have presented a greater moral lesson just at this time than the bringing in of a number of sleds of well-known make in badly wrecked condition, almost entirely the result of cheap material and poor workmanship.

The boys are very quick to see the point and take great delight in reconstructing their sleds of good honest material.

The high-school classes in Manual Training and Mechanical Drawing are larger than ever and are doing faithful work.

Each member of the class in Manual Training is making a large tool-chest besides his other work, and I earnestly hope that in the years to come the chest may contain an ever-growing set of first class tools, by which he may either for pleasure or profit put to use the lessons learned in the manual-training room.

The classes in Mechanical Drawing are endeavoring to maintain the standard of last year and give promise of turning out high-grade work.

Respectfully submitted,

PHILIP E. PERRY,

*Instructor Manual Training.*

## Music.

TO THE SCHOOL COMMITTEE:

"Your young men shall see visions, and your old men shall dream dreams."

The above lines give us a very good idea of what determines youth and age. Our attitude towards our work, whatever it may be, is what brings our degree of success or failure. Fortunately, we do not often experience failure, but we can very easily have an indifferent success. What is our habit of mind: to look forward—to get a vision of something you would like to be or do; or to enjoy that comfortable and contented feeling after service well done? Can we make our work tell for more in the future? Is there some brighter and more interesting plan that can be used? Or are we to go on repeating old formulas and methods, just holding our own, marking time? The best for all concerned is to press on. This world has a very poor memory. Even the hero of to-day is too soon forgotten. We cannot bank on what we have done, but on what we are doing now. The young teacher is the dissatisfied teacher, no matter what her actual age may be. To her

each year must be an advance, whenever it is possible. Keep up a mental standard at least, when conditions pull down and depress, as they will now and then. One of our young Bostonians—Dr. Hale—said: “Look upward, and not downward; look outward, and not inward; look forward, and not backward; and lend a hand.” This was his shortest sermon, and his best one. In it is found the fountain of everlasting youth and freshness.

During the period of the war and throughout the weeks of the influenza epidemic there was much confusion in school work all over the country, but I think our work went on in Weston in a very commendable manner. The School Board has always shown a very generous and helpful spirit to the cause of music, and I appreciate this very much. I would like to suggest that a piano be supplied to the two classes on the upper floor in the Primary building. This would add much to the pleasure of the work, and be of considerable assistance.

Respectfully submitted,

CHAS. E. BOYD.

### Drawing.

TO THE CHAIRMAN OF THE SCHOOL COMMITTEE, WESTON, MASS.:

The work in drawing and manual art has progressed. More time has been given to hand work, and a closer observation and more careful study are the results.

Clay-modeling, weaving, paper folding and cutting, all help to make the child more skillful. By the use of squared paper, the pupils are able to cut to a line and to make very good letters of pleasing proportion. These letters combined with their cuttings of common objects make the posters of the primary grades. The poster is a most excellent school problem, combining as it does good lettering, with object or figure drawing, and a knowledge of color. The routine work has been stopped many times the past year in answer to the calls for posters from the regular teachers, the Bureau of Food Facts, and the prize-poster contest with War Savings Stamps as the reward for the best poster and for the best idea for a poster. It has been a pleasure to have the pupils answer these calls and to watch the interest and delight in the actual making of a poster. The results have been excellent. The pupils realize that their work must be original, thoughtful, well spaced, neat, and accurately done.

Care has been given to the conservation of paper and drawing materials. More time has been given to blackboard and memory work. The children are encouraged to sketch at home and to bring their sketches for criticism. They are urged to send their drawings to the St. Nicholas League and *The Farm Journal*.

I have had a conference with the Primary teachers, visited the North School, and again resumed the after-school class for High School pupils, each once in three weeks. This after-school class gives the pupils an extra hour to perfect the class work or to take up any course in designing, color, or charcoal they may select.

SARAH ELIZABETH JEWETT,  
PROSPECT HILL AVENUE, WALTHAM, MASS.

### Report of School Physician.

TO THE CHAIRMAN OF THE SCHOOL COMMITTEE:

*Dear Sir,—* I beg to submit the following report:—

With the influenza raging, as it has been, in the community, we were confronted this year by a somewhat new problem. So little was known about its action, that it was difficult to deal with it on definite lines, as with other contagious diseases. On the whole I feel that we have not had a great many cases among the pupils, as compared with the rest of the community.

There have been several cases of chicken-pox among the younger children which were apparently, for the most part, spread during Christmas recess. At present there are very few if any new cases.

So far, we have been fortunate in escaping other contagious diseases. And apart from these two diseases, it seems to me that the general health of the school-children has been good. In my three or four months' attendance on the children I have been impressed by the remarkably good general condition they appear to be in.

Respectfully yours,

CHANDLER ROBBINS, M.D.

## REPORT OF SWIMMING-POOL COMMITTEE.

---

TO THE BOARD OF SELECTMEN:

*Gentlemen*,—The Committee reports another successful year at the swimming-pool with a slight increase in attendance over last year. Miss Marion Wetherbee was again instructor for the girls, Mrs. Wetherbee was engaged as matron, and Philip Connors had charge of pool and taught the boys.

We recommend an appropriation of \$1,000 for 1919. We submit report of Mr. Connors.

EDWARD B. FIELD,  
CHAS. M. EATON,  
HERBERT E. TYLER,

*Swimming-Pool Committee.*

WESTON, MASS., January 18, 1919.

TO THE SWIMMING-POOL COMMITTEE OF WESTON:

The season of 1918 was a successful one. There was a total attendance of 3,059, the greater percentage of which was made up of girls. Members of the Working Boys' Reserve in Weston were accorded the use of the pool evenings, gratis. The water was changed once a week and the pool thoroughly cleaned.

The filter is badly in need of repair. If put in proper condition the water might be continuously filtered during the sessions, with the result of greater cleanliness. The sides and bottom of the pool need to be done over to facilitate their cleaning.

I particularly wish to thank Mrs. Wetherbee and Miss Wetherbee for their hearty co-operation with me during the summer and also to express to the boys and girls who made use of the pool my appreciation of their uniform courtesy and good behavior.

Respectfully submitted,

(Signed) PHILIP A. CONNORS.

## REPORT OF THE PARK COMMISSIONERS.

---

The Park Commissioners submit the following report for the year ending December 31, 1918:—

The Board organized by the election of Horace S. Sears as Chairman and Arthur L. Coburn as Secretary.

The principal constructive work of the year has been the completion of a new path from the village centre to the new Town Hall, and of the grading incident thereto. This improvement has added much to the attractiveness of the Town Common and to the convenience of the public in giving direct access to the new Town Hall. The work was satisfactorily done by the Leighton-Mitchell Company at a moderate expense.

Settlements have been made with Arthur L. Hersum and Charles O. Richardson for the land taken under the town improvement plan. There remains only the First Parish to settle with, and the Commissioners are assured that an amicable and reasonable adjustment can be made with them when the present horse sheds are removed.

The removal of the buildings formerly owned and occupied by Messrs. George W. Cutting & Sons has opened up the Town Common and a vista to the new Town Hall so attractively that it reveals the latent possibilities in making this town centre one of the most beautiful in New England. The old Town Hall has nearly fulfilled its mission as a home for the war relief workers who have been comfortably housed there during the past year with ample facilities for the magnificent work which they have been doing. Before another year has elapsed the Commissioners hope the old Town Hall and the horse sheds will be removed or taken down altogether, and the plans for the town improvement materially advanced. It is the intention of the Commiss-

sioners to keep in close consultation with Arthur A. Shurtleff, landscape architect, in the further development of the grounds, having constantly in mind the dignity and simplicity demanded by a plan for a Town Common. Any suggestions or recommendations in this connection by the residents of the town will be gladly welcomed and given careful consideration.

The use of the Common was given over to private management during the year with the agreement that any profit resulting from its cultivation should be paid to the Commissioners who should not be held liable for any loss. The results were not profitable, but the ground has now been well enriched and broken up and will be put down to grass during the coming season.

The park land bordering on the Charles River has been again leased and cultivated by Mr. Edward Jennings at a rental of \$100.

The reports of the Town Treasurer and the Town Auditor include a financial statement covering the expenses for the past year. With the approval of the Board of Selectmen the Commissioners ask for an appropriation of \$8,000 for the year 1919 to enable them to continue the work of the development of the Common and the settlement for land takings.

Respectfully submitted,

## REPORT OF THE TRUSTEES OF THE PUBLIC LIBRARY.

---

The Trustees of the Weston Town Library report as follows:—

The expenditure for new books during the past year has been less than in former years. This has been partly due to the fact that the patrons of the Library have not seemed to care for the fiction which they were wont to demand in former years. By far the largest demand has been for books bearing upon the war, and in order to meet this demand the Trustees have endeavored to procure those books relating to the war which had special merit. Many of these books have been notable in that they were graphic recitals of personal experience; others have been of importance only as they threw light on some special phase of the war. We think that as a result of the policy which has been pursued it has been possible for any one making use of the Library to keep well informed concerning most matters relating to the cause and progress of the war.

Another matter which has occupied the attention of the Trustees has been the selection of a collection of books to be purchased with funds provided by the former chairman of the Board of Trustees, Mr. Justin E. Gale. Before his death he gave his son \$500 to be given to the Trustees and used by them in the purchase of books which, in their judgment, would strengthen some one or more departments of the Library. The Trustees, attempting to carry out what they believe would have been Mr. Gale's choice, have decided to use this money in purchasing books mainly of an historical character which bear on the period preceding the war, and also books which have to do with the problems resulting from the war, and the present social unrest; that is to say, books having to do with economics and sociology.

The endeavor has been to select only books of established value. The hope is that hereafter other persons may be disposed to add to the collection. It has been decided to place it in the Trustees' room which hitherto has been of but little use to the general public, and to style it the "Justin E. Gale Collection" or "Library." By using the Trustees' room it has been thought that a place where one could make use of the books in much the same way that he would do in his own library could be provided, and that by special regulations the Library can be made of great value to persons interested in historical subjects. For the purpose of fitting up the room with bookcases an appropriation of \$300 is asked.

The children's department has outgrown its present quarters in the alcove at the end of the reading-room. It is thought that there will be a distinct gain in moving this department from the main reading-room, and now that the space under the stack-room has been abandoned by the Town Clerk it is available as a space for the children's reading-room. In order to make the best use of it, it would be necessary to construct an entrance from the driveway, which is between the Library and the Jones barn. The entrance on School Street is not safe, because of the fact that this street is a very busy automobile thoroughfare; and in order to make the room attractive it would be necessary not only to fit it up with shelves and tables, but to construct new partitions.

The Trustees regret that it is necessary to ask also for an increased appropriation for incidental expenditures. During the past year the amount appropriated was necessarily exceeded. The Trustees believe that it is only fair to raise some of the salaries paid, and therefore they ask that for the ensuing year the sum of \$2,600 be appropriated.

During the year Mrs. James G. Freeman very generously offered to pay the cost of keeping the Library open between the hours of 5 and 7 P.M., and her offer was accepted by the Trustees. While the number using the Library between these hours is not large, still it has been a real convenience not only to those who like to remain at the Library until the mail is distributed, but

also to those who enjoy the quiet<sup>and</sup> freedom of the Library during its slack period. We desire to express the thanks of the Town to Mrs. Freeman.

Several friends of the Library have made special gifts of books to it during the past year. Their names and gifts appear in the Librarian's report. The Trustees wish to express thanks for their gifts and for the interest which the townspeople take in the Library. It is hoped that a closer relationship with the schools can be established, so that a greater use of the facilities of the Library may be made by the young people of the town.

The investments remain the same, and are shown in the report of the Town Treasurer.

## REPORT OF THE BOARD OF FIRE ENGINEERS.

---

TO THE SELECTMEN OF WESTON:

*Gentlemen,*—The Board of Fire Engineers herewith submit their annual report for the year ending December 31, 1918:—

The Board organized April 23; 1918, as follows: B. R. Parker, Chief; B. H. Dickson, Jr., First Assistant and Clerk; A. L. Vittum, Second Assistant.

During the past year there were 29 bell alarms and 28 still alarms, 14 alarms for building fires, 38 alarms for wood, brush, and grass fires, 3 alarms for automobile fires, and 2 needless alarms. The following were the fires for the year:—

### FIRES FROM JANUARY 1 TO DECEMBER 31, 1918.

- Jan. 2. Box 28, 9.30 A.M., chimney fire, house of J. B. Paine, Highland Street.
- Jan. 27. Still alarm, 1.27 P.M., chimney fire, house of Mary B. Lockwood, Webster Road.

As during last year, in order to conserve coal we have not kept the heater going in the Kendal Green Fire Station. The membership in the Department is very small, but we hope now that the war is over that this coming year it will be increased. During the past year we have lost by death one of the original members of the Department, Arthur M. Cheney, one who was always interested in the affairs of the Department, always ready, and a true fireman.

We recommend for the ensuing year the regular appropriation of \$3,000.

Yours respectfully,

BENJAMIN R. PARKER,

## REPORT OF THE BOARD OF HEALTH.

---

The Board of Health submits the following report for the year 1918:—

### I. MEMBERS AND OFFICERS.

On April 4 the Board met and elected its chairman and secretary, organizing as follows:—

Dr. F. Van Nüys, Chairman.  
Frank Allison, Secretary.  
George Faber.

The regular meetings are held at 5.30 P.M. on the first Thursday of each month at the Town Hall.

The Board voted to engage the services of the Co-operative Health Organization for the ensuing year for the sum of \$650, and to appoint the members of the Organization to positions as follows:—

H. E. Berger, Jr., Agent, Bacteriologist, Chemist, Milk and Sanitary Inspector.  
Thomas Harris, Inspector of Plumbing.

The following appointments were also made:—

Brenton H. Dickson, Jr., Agent to issue burial permits.  
George E. Trask, Inspector of Slaughtering.

In February, owing to the ill health of Mr. Trask, who for many years has done faithful and efficient work as Inspector of Slaughtering, the work was turned over to the Agent of the Board of Health, H. E. Berger, Jr.

### II. FINANCIAL STATEMENT.

The Board of Health ask for an appropriation of \$1,030, as follows:—

Co-operative Health Organization . . . . .	\$650
Salary of Inspector of Slaughtering . . . . .	150
Salaries of members of the Board . . . . .	75
Incidentals . . . . .	55
Emergency Fund . . . . .	100
	_____
	\$1,030

### III. LICENSES AND PERMITS.

The following licenses and permits have been granted:—

(1) Slaughtering-house license:—

Mrs. Henry Zoller & Sons.

(2) Milk licenses:—

Arthur L. Coburn.	G. H. D. Lamson.
Charles H. Jones.	Frank H. Pope.
Joseph R. Roberts.	Philip R. Spaulding
H. L. Stone.	George W. Cutting & Sons.
B. S. Blake.	Cherith M. Foote.
C. U. Hubbard.	C. H. Stevens.

Howard C. Richardson.

(3) Permit to collect and feed garbage:—

P. J. McAuliffe . . . . .	Weston.
Franklin G. Cooper . . . . .	Weston.
W. A. Twombly . . . . .	Newton.

The reports of the Agent and Milk Inspector, Plumbing Inspector, and Inspector of Slaughtering are submitted herewith.

Respectfully submitted,

F. VAN NÜYS,  
FRANK H. ALLISON,  
GEORGE FABER,

*Board of Health.*

## REPORT OF THE AGENT AND MILK INSPECTOR.

TO THE BOARD OF HEALTH OF WESTON:

Gentlemen,—The following is my report as Agent and Milk Inspector for your Board during 1918:—

### THE CO-OPERATIVE HEALTH ORGANIZATION.

During the year 1918 as in previous years the services of the Co-operating Boards of Health were retained. Its staff was obliged to undergo one change owing to war demands, otherwise the personnel remains the same.

### I. DISEASES DANGEROUS TO PUBLIC HEALTH.

The large total of two hundred and nine (209) cases of reportable diseases were recorded on the records of the Board. This total was greatly swelled by the influenza epidemic of the early fall and a secondary outbreak in December of this year. Table I. shows the number of cases reported as well as the number for a ten-year period. In Table II. will be found the monthly distribution of the cases.

#### PREVALENCE OF EACH DISEASE.

##### *Diphtheria.*

One case of diphtheria stands charged to the town because the patient happened to be a Weston resident but who was in a hospital in another city.

##### *Scarlet Fever.*

The one case of scarlet fever which was reported was of a mild nature, and as it was promptly isolated no subsequent cases occurred.

*Measles and German Measles.*

During the first half of the school year Massachusetts suffered from a state-wide epidemic of measles and German measles. Twenty-seven of the former and twelve of the latter disease came to the attention of the Board. This is a very small number and is undoubtedly attributable to the careful weekly examination of the school-children by the school physician.

*Whooping-cough.*

Coincident with the measles and German measles outbreak the cases of whooping-cough reported to the Board took a sharp rise. This illness is a most difficult disease to control, as the contagious period of it exists before the active symptoms of the disease assert themselves. The cases reported were restricted almost wholly to a small area of the town.

*Typhoid Fever.*

Two cases of typhoid fever came to the attention of the Agent. Both cases, father and son, were sent to a hospital at the expense of the State Board of Charity. The Agent made careful investigation to endeavor to find the source of the infection, but without result. The other members of the family were protected by inoculation and the illness was checked to these two cases.

*Tuberculosis.*

A total of five new cases were reported to the Board, one of which was a non-resident case. The Agent can only strongly urge that all persons be examined at intervals in order to check this disease. When taken in its early stages a cure can be made with almost a certainty, but lack of care and neglect of the case endangers others and terminates seriously.

*Influenza.*

The total of one hundred and three (103) cases reported does not, in the opinion of the Agent, give a fair idea of the actual

cases of the disease present in the town. As the disease was not made reportable until October 4, the records are incomplete. After this date reports were sent to the Board by most physicians, but some neglected to comply with this law, due undoubtedly to carelessness and also to the excessive demands made upon their time. The Agent feels that a total of at least two hundred and seventy-five (275) cases of this disease existed in Weston.

## II. LABORATORY.

During the year the laboratory made 38 diagnostic tests as follows:—

		<i>Results.</i>
	Positive . . .	Negative . . .
Diphtheria . . . . .	19	1
Widal for Typhoid Fever . . .	7	2
Sputa for Tuberculosis . . .	12	1
		<hr/>
		4
		34

## III. WATER.

Monthly examinations of the water supply showed it to be free from pollution. The Agent has examined twice and condemned the water from a new-made well.

## IV. MILK.

The results of the milk analyses of the Milk Inspector are shown in tables three and four. Little if any comment is needed upon the matter presented. On the whole the supply has been excellent. The Agent has made frequent inspections of the dairies and finds them in excellent condition, on the whole.

## V. COMPLAINTS.

The Board of Health received comparatively few complaints. In one case, that of a dead animal, the Agent was obliged to order its removal when the request of the Agent for such action was requested.

Respectfully,

H. E. BERGER, JR.,

*Agent and Milk Inspector.*

## REPORT OF PLUMBING INSPECTOR.

---

TO THE BOARD OF HEALTH OF THE TOWN OF WESTON:

Gentlemen,—I herewith submit to you for your approval my report as Inspector of Plumbing for the year 1918.

Most of the plumbing construction during the past year has been overhauling work and new work in old buildings. New building construction has practically stopped for the duration of the war, as the National Government has confiscated a great deal of the material used in this work. This condition together with the generally high prices for building construction has resulted in greatly reduced activity in this line of work. The quality of the work as installed has been very good, the Master Plumbers working in concord with this department and the requirements of the plumbing code have been very well complied with.

During the year there were ten plumbing permits issued to Master Plumbers by this department. One was for plumbing construction in a new building, and nine were for plumbing construction in old buildings including additions and alterations to existing systems of plumbing. Twenty-eight inspections were made during the year, of plumbing work in its various stages of construction. In two instances the work was not passed, on account of defects in material, workmanship, or construction. These defects were afterwards remedied and the work was then approved. Appended will be found a table which will more fully explain the work of this department.

Respectfully submitted,

THOMAS F. HARRIS,

*Plumbing Inspector.*

## REPORT OF THE CEMETERY COMMISSIONERS.

---

The Cemetery Commissioners respectfully submit their report for the year ending December 31, 1918:—

At the annual town meeting, Mr. Edward B. Field was re-elected a Commissioner for three years.

During the year Mr. Franklin G. Cooper resigned as Superintendent of the Cemeteries and Mr. Frank H. Upham was appointed to the position. It is appropriate at this time for the Commissioners to express their appreciation of the devoted service which Mr. Cooper has given for many years to the care of our cemeteries. To his skill and faithful performance of duty is largely due the more than local reputation for charm and beauty which our cemeteries enjoy.

The number of interments during the year was 32.

Residents . . . . .	18
Non-residents . . . . .	14

For an itemized account of receipts and expenses see the Auditor's report.

During the year the Commissioners have received \$1,850 for the perpetual care of lots, which amount has been turned over to the Town Treasurer for permanent investment.

The Commissioners urge that lot owners, where possible, place their lots under perpetual care. This ensures proper attention for all time, adding not only to the appearance of their own lot, but increasing the beauty and charm of the whole cemetery. Where perpetual care cannot be arranged for, each owner can ensure the proper care of his lot by the payment of a small annual fee for that purpose.

The Commissioners recommend an appropriation of \$2,500 to cover the expenses for the coming year.

Receipts:—

Making graves . . . . .	\$108.00
Care of lots . . . . .	343.00
Sale of lots . . . . .	160.00
“ “ flowers . . . . .	9.50

COMMONWEALTH OF MASSACHUSETTS,  
MIDDLESEX, ss.

*To any Constable of the Town of Weston.*

GREETING:

In the name of the Commonwealth you are hereby required to notify and warn all the inhabitants of the said town qualified by law to vote in elections and town affairs to meet in the Town Hall in said town on Monday, the 25th day of March current at 12 of the clock noon, at which time the polls will be opened and may be closed at 4 of the clock in the afternoon, to bring in to the subscribers their votes for the following town officers, each to be designated and all to be voted for in one ballot, namely:—

- A town clerk for a term of two years, to fill the vacancy caused by the retirement of George W. Cutting,
- One selectman for a term of three years,
- One overseer of the poor for a term of three years,
- One assessor for a term of three years,
- One member of the school committee for a term of three years,
- A treasurer and collector,
- An auditor,
- One library trustee for a term of three years,
- One library trustee for a term of two years,
- A library treasurer,

One trustee of the Merriam fund for the silent poor for a term of three years,

One park commissioner for a term of three years,

One cemetery commissioner for a term of three years,

One member of the board of health for a term of three years,

Seven measurers of wood and bark,

Three surveyors of lumber,

Three fence viewers,

A pound keeper,

Five field drivers,

Seven constables, and

A tree warden.

Also to vote "Yes" or "No" in answer to the question "Shall licenses be granted for the sale of intoxicating liquors in this town?"

and for the following purposes, to wit:—

ARTICLE 1. To choose by separate ballot a moderator.

ARTICLE 2. To hear and act upon reports of town officers and committees.

ARTICLE 3. To determine whether the Town will vote to name the new highway leading to the Town-house, "Town-house Road" or some other suitable name.

ARTICLE 4. To determine whether the Town will accept and allow the report of the Selectmen relative to the alteration of the town way, being the new road leading to the Town-house near and at the junction of Conant Road and over land of Charles O. Richardson or others.

ARTICLE 5. To determine what action the Town will take with regard to street lighting, including the number of lights to be maintained, the schedule of hours for lighting, and the cost thereof.

ARTICLE 6. To determine whether the Town will appropriate a sum of money for the construction of a sidewalk on the south-erly side of Central Avenue, from School Street to the post-office.

ARTICLE 7. To determine whether the Town will appropriate a sum of money for the purchase of a piano to be installed in the lower Town Hall.

ARTICLE 8. To determine whether the Town will appropriate the sum of \$600 for providing screens for the new Town-house.

ARTICLE 9. To determine whether the Town will instruct the Selectmen to appoint an Inspector of Wires, or act anything relative thereto.

ARTICLE 10. To raise and appropriate by borrowing or otherwise such sums of money as may be necessary for all or any of the purposes mentioned in the foregoing articles, or as may be required to defray the expenses of the Town for the ensuing year; and especially to act upon all the appropriations asked for or proposed by the Selectmen or by any town officers or committees in their reports.

And you are to serve this Warrant by posting three attested copies thereof according to the vote of the Town; namely, at the Town-house, at the Kendal Green post-office, and on the town bulletin board at the junction of South Avenue and Newton Street and Park Road, seven days at least before the time appointed for said meeting.

Hereof fail not; and make due return of this warrant with your doings thereon to the Selectmen at the time and place of said meeting.

Given under our hands this thirteenth day of March in the year of our Lord one thousand nine hundred and eighteen.

ALFRED L. CUTTING,  
BENJAMIN LORING YOUNG,  
HERBERT E. TYLER,

*Selectmen of the Town of Weston.*

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Weston, according to order.

HERBERT E. TYLER,

*Constable of Weston.*

MARCH 15, 1918.

In pursuance of the foregoing warrant, the inhabitants of the Town, qualified to vote in elections, met in the Foyer of the Town Hall, on Monday, March 25, 1918, at 12 o'clock noon, and were called to order by Alfred L. Cutting, Chairman of the Board of Selectmen, who read the warrant calling said meeting, and the return thereon of the officer who served the same upon the inhabitants. The Foyer had been fitted up as a polling-place in conformity with the laws of the Commonwealth.

The "cards of instructions," "penalties to voters," and "specimen ballots" were posted in accordance with the laws of the Commonwealth. The following Election Officers were appointed by the Selectmen and sworn to the faithful performance of their duties:—

<i>Election Officers:</i>	Geo. Faber, Cornelius M. Kelliher.	<i>Tellers:</i>	B. L. Young, Jeremiah Sliney,
<i>Ballot Clerks:</i>	Robert H. Trask, Thomas W. Scott.		W. P. Adams, H. A. Wheeler.

The ballot-box was opened publicly and shown to be empty. The register on the box was set at zero, and the box locked and the keys delivered to Cornelius M. Kelliher.

A package of ballots containing 260 women's ballots and 700 regular ballots was delivered to the Ballot Clerks by the Town Clerk *pro tem.*, who took their receipt therefor.

The polls were then declared open.

At 3.10 o'clock P.M. the ballot-box was opened and 50 ballots taken therefrom.

At 4 o'clock P.M. the polls were declared closed.

The number of names checked on the Voting Lists used by the Ballot Clerks and the Election Officer in charge of the reception of ballots was 63. The automatic register of the ballot-box read 63 and upon opening the box 13 ballots were taken therefrom. These together with the fifty previously taken totaled 63. These ballots were counted and recorded and declaration thereof made in open town meeting by the Moderator and were for the following Town Officers and on the License question:—

While the polls were open, the ballot-box was in charge of C. M. Kelliher and the voting list used in connection therewith was in charge of George Faber.

The votes were canvassed and counted by the tellers.

The ballots cast at the election, the tally sheets used in counting the votes, and the voting lists used in the distribution and deposit of the ballots were enclosed in envelopes and properly sealed and endorsed.

The above-mentioned envelopes, together with the ballot-box, the keys thereto, and the seal, were forthwith delivered to the Town Clerk *pro tem.* by the Presiding Election Officer, who in this and all other matters connected with the election followed and caused to be followed the "Laws relating to Elections" as prepared by the Secretary of the Commonwealth.

A true copy.

Attest: BRENTON H. DICKSON, Jr.,  
*Town Clerk pro tem.*

Pursuant to the foregoing warrant (see p. 208), a meeting of said inhabitants of the Town, qualified as aforesaid, was held at the time and place appointed. The meeting, in the absence of the Town Clerk, was called to order and the warrant read by Alfred L. Cutting, Chairman of the Board of Selectmen. Brenton H. Dickson, Jr., was elected Town Clerk *pro tem.* by ballot with the use of the check-list, and sworn by B. L. Young, Justice of the Peace.

ARTICLE 1. Andrew Fiske, Esq., was duly elected Moderator by ballot with the use of the check-list, and was declared elected by the Town Clerk *pro tem.*

ARTICLE 2. *Voted:* That the reports of town officers and committees which have been printed and distributed throughout the town be accepted subject to any corrections which may be made by this meeting or by the Town Clerk and that the Town Clerk is hereby directed to make such corrections to such copies of the reports as may be delivered under the provisions of the Revised Laws or as may be deposited in the archives of the Town and in the Public Library.

*Voted:* To accept and place on file the following reports subject to such corrections as may be made by this meeting or by the Town Clerk:—

Report of the Town Clerk.

- “ “ the Selectmen.
- “ “ Committee on Public Safety.
- “ “ the Moth Superintendent.
- “ “ the Superintendent of Streets.
- “ “ the School Committee.
- “ “ the Swimming-pool Committee.
- “ “ Park Commissioners.

*Voted:* That three persons be appointed by the Moderator to serve as Memorial Day Committee, with authority to expend upon the observance of said day the sum of one hundred and fifty dollars already appropriated for that purpose. The Moderator appointed Francis B. Ripley, Herbert Merriam, and Charles M. Eaton as the above committee.

2.35 P.M. *Voted:* That the money appropriated at the annual town meeting not otherwise provided for be assessed after deducting the estimate of receipts for the ensuing year upon the polls and estates taxable in this town and be collected as the town charges are usually assessed and collected as provided by law.

*Voted:* That the Town Treasurer with the approval of the majority of the Selectmen be and hereby is authorized to borrow money from time to time in anticipation of the taxes and other estimated revenues of the Town for the municipal year beginning January 1, 1918, to an amount not exceeding in the aggregate one hundred thousand dollars; and to issue a note or notes therefor payable within one year; any debt or debts incurred under this vote to be paid from the taxes or other revenues of said municipal year.

*Voted:* That a committee of three persons be appointed by the Moderator to consider the matter of salaries paid to the officers and committees of the Town, to recommend any changes they deem expedient and to report to the next annual Town Meeting. The Moderator appointed Samuel C. Bennett, Frank W. Knowlton, and Arthur L. Hersum as the above committee.

*Voted:* That until further action by the Town, the salaries of the Selectmen be \$200 for the Chairman and \$100 each for the other members of the Board; the salary of the Town Clerk be \$150, with fees allowed by statute in addition thereto, but without allowance for clerk hire, and that the salary of the Treasurer and Collector be \$1,000.

The following resolution was offered by Alfred L. Cutting, which was unanimously adopted by a rising vote:—

Since the last annual Town Meeting, Weston has sustained a great loss in the death of Percy Warren. He served for four years as Superintendent of Streets. In this capacity he rendered the Town a distinct public service, developing a system of road construction and maintenance that was noteworthy for its thoroughness and efficiency.

He did his work well. Thoroughly honest, he could not do other than honest work. His rugged character and sterling integrity was typified in all that he did. His greatest monument is his work well done.

The service that he rendered to our community was of inestimable value. It was a many-sided service. As President and Manager of the Weston Water Co. he came in contact with our townspeople. His cheerful, courteous, kindly nature endeared him to all.

He was extremely practical. If there was anything to be done in the community, Percy Warren was always ready to do more than his share, and he knew what to do and the best way to do it.

A big-hearted, generous character, whose dominant creed was helpfulness, he was always ready to give unstintingly of time, money, and effort to any one who needed help.

We, his fellow-townsman and neighbors, assembled in annual Town Meeting, pause in our deliberations to pay him this tribute of our affection and esteem.

On motion of Benjamin L. Young it was voted that a committee of three persons be appointed by the Moderator to pre-

pare suitable resolutions upon the retirement of George Warren Cutting from the office of Town Clerk, after a term of public service of fifty-four years, dating from his first election in the year 1864, said committee to report at the next meeting of the Town. The Moderator appointed as the above committee Charles H. Fiske, Horace S. Sears, and Joseph E. Perry.

ARTICLE 3. *Voted:* That the highway leading from the corner of Church Street and Conant Road past the new Town-house to Central Avenue be known as Town House Road.

ARTICLE 4. *Voted:* That the report of the Selectmen relative to the alteration of the Town Way, being the new road leading to the Town House near and at the junction of Conant Road by the discontinuance of a portion or strip abutting upon the premises of Charles O. Richardson as shown upon a plan made by George W. Cutting, Jr., Engineer, dated February 27, 1918, and filed with said report in the office of the Town Clerk be and hereby is accepted and allowed by the Town.

ARTICLE 5. (Previously acted upon.)

ARTICLE 6. (Previously acted upon.)

ARTICLE 7. *Voted:* To appropriate \$300 for the purchase of a piano to be installed in the lower Town Hall, the appropriation to be expended by the Selectmen.

ARTICLE 8. *Voted:* That the sum of \$600 be and is hereby appropriated to be expended by the Selectmen for the purchase of screens for the new Town-house.

ARTICLE 9. *Voted:* That the Selectmen be and are hereby instructed to appoint an Inspector of Wires under the provisions of Section 18 of Chapter 122 of the Revised Laws and amendments thereof.

## ARTICLE 10. (Previously acted upon.)

At 3.05 P.M. *Voted:* That a recess be taken until 4.30 P.M.  
 4.30 P.M. The meeting came to order and the votes for town officers declared.

4.37 P.M. *Voted:* That this meeting be now dissolved.

Dissolved.

*To any Constable of the Town of Weston,*

GREETING:

In the name of the Commonwealth, you are hereby required to notify and warn all the inhabitants of the said town, qualified by law to vote in elections and town affairs, to meet in the Town-hall, in said town, on Tuesday, the thirteenth day of August current, at seven hours and forty-five minutes of the clock in the afternoon, for the following purposes, to wit:—

ARTICLE I. To choose a Moderator.

ARTICLE II. To determine whether the Town will appropriate for Town purposes, not exceeding the following sums:—

Municipal Buildings—Town Hall . . . . .	\$2,000.00
Education, Schools—Fuel and Light . . . . .	1,000.00
Interest . . . . .	1,000.00

ARTICLE III. To determine whether the Town will authorize the Selectmen to sell and convey, in the name and behalf of the Town, all or any part of the town wood lot, on Wellesley Street, for such consideration or on such terms and conditions as the Selectmen deem proper.

ARTICLE IV. To determine whether the Town will provide for the retirement of a portion of the present outstanding indebtedness of the Town; to appropriate money therefor, and to act anything relative thereto.

And you are to serve this warrant by posting three attested copies thereof according to the vote of the town; namely, at the Town-house, at the Kendal Green Post-office, and on the town bulletin-board at the junction of South Avenue and Newton Street and Park Road, seven days at least before the time appointed for said meeting.

Hereof fail not; and make due return of this warrant, with your

doings thereon, to the Selectmen, seven days at least before the time appointed for said meeting.

Given under our hands this second day of August in the year of our Lord One Thousand Nine Hundred and Eighteen.

(Signed) ALFRED L. CUTTING,  
HERBERT E. TYLER,

*Selectmen of the Town of Weston.*

August 13, 1918. Pursuant to the foregoing warrant, a meeting of said inhabitants, qualified as aforesaid, was held at the time and place appointed.

The meeting was called to order, and the warrant read by the Town Clerk.

ARTICLE I. Andrew Fiske was chosen Moderator by written ballot with the use of the check list.

Mr. Charles H. Fiske offered the following resolution:—

At the last annual Town Meeting held in Weston a Committee of three of his fellow-townsmen was appointed to express the deep appreciation and gratitude of the Town for the long service of George W. Cutting as Town Clerk, an office which he had held for fifty-four years and which he then felt compelled to relinquish owing to his absence from the town.

His administration of the office was not only notable for its length of service, almost unequalled by any in the annals of the Commonwealth, but it was notable also for the fidelity, courtesy, and scrupulous exactness which characterized all his work. With unabated mental and physical powers and in the full tide of a useful career he retires with the esteem and affectionate regard of all his townspeople. During his long life amongst us the progressive growth and development of the Town owes much to his wise counsel, sound judgment, and keen insight. We learn to admire and unreservedly trust the integrity, fair-mindedness, keen sense of honor, and business ability which marked the growth of this sturdy New England character. There was hardly an important office in the administration of the corporate life of

the Town which he has not honorably and acceptably filled. And in the wider circle of political life—as Postmaster for fifty years and as representative to the General Court—he rendered efficient and valued service. In his retirement from the more active duties and responsibilities of his life we extend to him our heartfelt good wishes for his continued success, happiness, and well-being.

*Moved:* That a copy be spread on the Town Records and an engrossed copy upon parchment be sent to Mr. George W. Cutting, with the Town's best wishes.

Passed unanimously by a rising vote.

ARTICLE II. 8.02 P.M. Moved and voted that \$2,000 be appropriated for *Municipal Buildings—Town Hall.*

8.03 P.M. Moved and voted that \$1,000 be appropriated for *Education, Schools—Fuel and Light.*

8.04 P.M. Moved and voted that \$1,000 be appropriated for *Interest.*

ARTICLE III. 8.05 P.M. Moved and voted that the Selectmen be and are hereby authorized to sell and convey, in the name and behalf of the Town, all or any part of the town wood lot, located on or near Wellesley Street, to such person or persons, for such consideration, and on such terms and conditions as they deem proper and to give a proper deed or deeds therefor.

ARTICLE IV. 8.19 P.M. Moved and voted that the sum of \$25,000 be and hereby is appropriated for the purpose of retiring a portion of the present outstanding indebtedness of the Town, and that the Selectmen be and are hereby authorized to expend said sum or any part thereof for the purchase in the name and behalf of the Town of any bonds issued by the Town for the construction of the Fire-engine House or for the construction of the Town Hall, and now outstanding on such terms and in such manner as the Selectmen in their absolute discretion deem to be for the best interests of the Town, and any and all bonds purchased under authority of this vote shall be at once delivered to

the Town Treasurer and cancelled by him in the presence of the Selectmen.

Moved and voted that the money appropriated at this special Town Meeting be assessed, after deducting the estimated receipts for the ensuing year, upon the polls and estates taxable in this Town, and be collected as the Town charges are usually assessed and collected, and as provided by law.

8.23 P.M. Voted that this meeting be now dissolved.

Dissolved.

Given under our hands this ninth day of September, A.D. 1918.

BENJAMIN LORING YOUNG,  
ALFRED L. CUTTING,  
HERBERT R. TYLER,

*Selectmen of Weston.*

I, George Faber, Constable of Weston, hereby certify that I have served the within warrant as therein directed, namely, by posting on 13th September, 1918, the three attested copies thereof

according to the vote of the Town—at the Kendal Green Post-office, at the Town-house, and on the town bulletin-board at the junction of South Avenue, Newton Street, and Park Road.

GEORGE FABER,  
*Constable.*

In pursuance of the foregoing warrant the inhabitants of the town of Weston, qualified to vote in elections, met in the Town-hall in said town on Tuesday, the twenty-fourth day of September in the year of our Lord one thousand nine hundred and eighteen, and were called to order at four o'clock p.m. by Brenton H. Dickson, Jr., Town Clerk and Presiding Election Officer, who read the warrant calling said meeting, and the return thereon of the officer who served the same upon the inhabitants.

In pursuance of and in conformity with the laws of this Commonwealth in relation to elections, the Town-hall had been fitted up as a polling place, a space railed off, and ten shelves or compartments provided for the use and convenience of the voters to examine and mark their ballots. Before the opening of the polls, the package of cards of instructions, specimen ballots, etc., furnished by the Commonwealth had been opened, and the same posted in accordance with the provisions of the Revised Laws relating thereto.

Andrew Fiske and Thomas W. Scott, whom the Selectmen previously had appointed Ballot Clerks, were sworn by the Presiding Election Officer to the faithful performance of their duties. Cornelius M. Kelliher and George Faber, Election Officers, were sworn by the Presiding Election Officer.

The ballot-box was opened publicly by the Election Officers, who ascertained by personal examination, and publicly showed, that the same was empty. The register of the box was set at zero (0), and the box immediately thereafter locked.

Three packages supplied by the Secretary of the Commonwealth, marked "Town of Weston: 400 Republican Ballots, 300 Democratic Ballots, 100 Socialist Ballots" were delivered to the Ballot Clerks by the Presiding Election Officer, who took their

receipt therefor. The Ballot Clerks, who were provided with a list of the registered voters of the town, stationed themselves at the entrance to the polling place.

The polls were then declared open for the reception of votes.

At 8 p.m. the polls were declared closed.

The number of names checked on the voting list used by the Ballot Clerks in the distribution of ballots was ninety-six.

The number of names checked on the voting list used by the Election Officers in the reception of ballots was ninety-six.

At the close of the polls the automatic register of the ballot-box read ninety-six. Upon opening the ballot-box ninety-six ballots were taken therefrom. These ballots were sorted, counted, and recorded, and declaration thereof made in open town meeting by Brenton H. Dickson, Jr., Presiding Election Officer, and were for the following State and County Officers, State Committee, Delegates to State Convention, and Town Committee, viz.:—

While the polls were open, the ballot-box and the voting list used in connection therewith were in charge of Brenton H. Dickson, Jr., George Faber, Herbert E. Tyler, and Cornelius M. Kelliher.

In the canvassing and counting of votes the regular Election Officers were assisted by Henry A. Wheeler, Warren P. Adams, Jeremiah Sliney, and John Harte, who previously had been appointed Tellers by the Selectmen and sworn by the Presiding Election Officer to the faithful performance of their duties.

The business of the meeting being finished, the returns were filled up, and signed by the Town Clerk.

All ballots cast at the election were enclosed in boxes and the same properly sealed and endorsed.

The tally sheets used in counting the votes were enclosed in an envelope, and the same properly sealed and endorsed.

All unused ballots were enclosed in boxes and the same properly sealed and endorsed.

The voting lists used in connection with the distribution of ballots and the deposit thereof in the ballot-box were certified by

the officers who had them in charge, and were enclosed in an envelope, and the same properly sealed and endorsed.

The sealed and endorsed envelopes above mentioned, together with the ballot-box, the ballot-box keys, and the seal, were forthwith delivered to the Town Clerk by the Presiding Election Officer, who in this and all other matters connected with the election followed and caused to be followed the "Laws relating to Elections," as prepared by the Secretary of the Commonwealth.

At 9.40 o'clock P.M. the meeting was declared dissolved by the presiding election officer.

### Warrant.

COMMONWEALTH OF MASSACHUSETTS,  
MIDDLESEX, ss.

To any Constable of the Town of Weston,

GREETING:

In the name of the Commonwealth, you are hereby required to notify and warn all the inhabitants of the said town, qualified by law to vote in elections and town affairs, to meet in the Town Hall, in said town, on the fifth day of November next, at six hours and thirty minutes of the clock in the forenoon, at which time the polls will be open, and may be closed at four hours and thirty minutes of the clock in the afternoon, to bring in to the subscribers their votes for the following officers, each to be designated and all to be voted for on one ballot, namely:—

Governor; Lieutenant-Governor; Secretary; Treasurer; Auditor; Attorney-General; Senator in Congress; Congressman; Councillor; Senator; Representative in General Court; County Commissioner; County Treasurer; Register of Probate and Insolvency.

Also to bring in their votes for acceptance or rejection of the following Articles of Amendment submitted by the Constitutional Convention:—

**ARTICLE OF AMENDMENT No. 1.**

The establishment of the popular initiative and referendum and the legislative initiative of specific amendments of the Constitution.

**ARTICLE OF AMENDMENT No. 2.**

The conservation, development, and utilization of the agricultural, mineral, forest, water, and other natural resources of the Commonwealth are public uses, and the General Court shall have power to provide for the taking, upon payment of just compensation therefor, of lands and easements or interests therein, including water and mineral rights, for the purpose of securing and promoting the proper conservation, development, utilization and control thereof and to enact legislation necessary or expedient therefor.

**ARTICLE OF AMENDMENT No. 3.**

Advertising on public ways, in public places and on private property within public view may be regulated and restricted by law.

**ARTICLE OF AMENDMENT No. 4.**

The preservation and maintenance of ancient landmarks and other property of historical or antiquarian interest is a public use, and the commonwealth and the cities and towns therein may, upon payment of just compensation, take such property or any interest therein under such regulations as the general court may prescribe.

**ARTICLE OF AMENDMENT No. 5.**

The General Court, by concurrent vote of the two houses, may take a recess or recesses amounting to not more than thirty days; but no such recess shall extend beyond the sixtieth day from the date of their first assembling.

**ARTICLE OF AMENDMENT No. 6.**

To authorize the General Court to prescribe, subject to certain restrictions, the manner of the appointment and removal of military and naval officers to be commissioned by the Governor.

**ARTICLE OF AMENDMENT No. 7.**

To define the powers and duties of the General Court relative to the military and naval forces, and of the Governor as Commander-in-Chief thereof.

**ARTICLE OF AMENDMENT No. 8.**

To provide for the succession, in cases of vacancies in the offices of Governor and Lieutenant-Governor, by the Secretary, Attorney-General, Treasurer, and Receiver-General, and Auditor, in the order named.

**ARTICLE OF AMENDMENT No. 9.**

To authorize the Governor to return to the General Court with a recommendation for amendment bills and resolves which have been laid before him.

**ARTICLE OF AMENDMENT No. 10.**

Article IV of the Articles of Amendment of the Constitution of the Commonwealth is hereby amended by adding thereto the following words: "Women shall be eligible to appointment as notaries public. Change of name shall render the commission void, but shall not prevent reappointment under the new name."

**ARTICLE OF AMENDMENT No. 11.**

*(Relative to the Retirement of Judicial Officers.)*

Article I of Chapter III of Part the Second of the Constitution is hereby amended by the addition of the following words: "and provided also that the Governor, with the consent of the Council, may after due notice and hearing retire them because of advanced age or mental or physical disability. Such retirement shall be subject to any provisions made by law as to pensions or allowances payable to such officers upon their voluntary retirement."

**ARTICLE OF AMENDMENT No. 12.**

Every charter, franchise, or act of incorporation shall forever remain subject to revocation and amendment.

**ARTICLE OF AMENDMENT No. 13.**

The General Court shall have power to limit buildings according to their use or construction to specified districts of cities and towns.

**ARTICLE OF AMENDMENT No. 14.**

The General Court shall have authority to provide for compulsory voting at elections, but the right of secret voting shall be preserved.

**ARTICLE OF AMENDMENT No. 15.**

To limit the power of the General Court to lend the credit of the Commonwealth and to contract loans.

**ARTICLE OF AMENDMENT No. 16.**

To provide for a state budget and the veto by the Governor of items or parts of items in appropriation bills.

**ARTICLE OF AMENDMENT No. 17.**

To provide for biennial elections of state officers, councillors and members of the General Court.

## ARTICLE OF AMENDMENT No. 18.

No person elected to the General Court shall during the term for which he was elected be appointed to any office created or the emoluments whereof are increased during such term, nor receive additional salary or compensation for service upon any recess committee or commission except a committee appointed to examine a general revision of the Statutes of the Commonwealth when submitted to the General Court for adoption.

## ARTICLE OF AMENDMENT No. 19.

On or before January first, nineteen hundred twenty-one, the executive and administrative work of the Commonwealth shall be organized in not more than twenty departments, in one of which every executive and administrative office, board and commission, except those officers serving directly under the Governor or the Council, shall be placed. Such departments shall be under such supervision and regulation as the General Court may from time to time prescribe by law.

And you are to serve this warrant by posting three attested copies thereof according to the vote of the town; namely, at the Town-house, at the Kendal Green Post-office, and on the town bulletin-board at the junction of South Avenue and Newton Street and Park Road, seven days at least before the time appointed for said meeting.

Hereof fail not; and make due return of this warrant, with your doings thereon, to the Selectmen, seven days at least before the time appointed for said meeting.

Given under our hands this twenty-sixth day of October in the year of our Lord One Thousand Nine Hundred and Eighteen.

BENJAMIN LORING YOUNG,  
ALFRED L. CUTTING,  
HERBERT E. TYLER,

*Selectmen of the Town of Weston.*

Pursuant to the within warrant, I have notified and warned the inhabitants of the town of Weston according to order.

GEORGE FABER,  
*Constable of Weston.*

OCTOBER 28, 1918.

**Annual Election, November 5, 1918.**

In pursuance of the foregoing warrant, the inhabitants of the town of Weston, qualified to vote in elections, met in the Town-hall, in said town, on Tuesday, the fifth day of November, in the year of our Lord one thousand nine hundred and eighteen, it being the Tuesday next after the first Monday in said month, and were called to order at six hours and thirty minutes of the clock in the morning, by Herbert E. Tyler, Presiding Election Officer and of the Board of Selectmen, who read the warrant calling said meeting, and the return thereon of the officer who served the same upon the inhabitants.

In pursuance of and in conformity with the laws of this Commonwealth in relation to elections, the lower Town-hall had been fitted up as a polling place, a space railed off, and ten shelves or compartments provided for the use and convenience of the voters to examine and mark their ballots. Before the opening of the polls, the package of cards of instructions, specimen ballots, etc., furnished by the Commonwealth, had been opened, and the same posted in accordance with the provisions of the Revised Laws relating thereto.

Cornelius M. Kelliher and George Faber were appointed Election Officers and sworn by the Town Clerk, to the faithful performance of their duties.

Andrew Fiske and Thomas W. Scott, whom the Selectmen previously had appointed Ballot Clerks, were sworn by Alfred L. Cutting, Selectman, to the faithful performance of their duties.

The ballot-box to be used at elections was opened publicly by the election officers, who ascertained, by personal examination, and publicly showed, that the same was empty. The register of the box was set at zero (0), and the box immediately thereafter locked. The key of the box was delivered to the Presiding Election Officer.

A package supplied by the Secretary of the Commonwealth, marked "600 Ballots, Town of Weston," was delivered to the

Ballot Clerks by the Presiding Election Officer, who took their receipt therefor. The Ballot Clerks, who were provided with a list of the registered voters of the town, stationed themselves at the entrance to the polling place.

Upon five occasions, while the polls were open, the ballot-box was opened and ballots taken therefrom for counting, it being deemed advisable so to do in the unanimous judgment of the Presiding Election Officer and the Town Clerk. The times of thus opening the ballot-box and the number of ballots taken therefrom were as follows:—

9.50 A.M. . . . .	50 ballots
10.55 " . . . . .	50 "
1.20 P.M. . . . .	100 "
3.10 " . . . . .	50 "
4.20 " . . . . .	50 "
<hr/>	
	300 ballots

At four hours and thirty minutes of the clock in the afternoon the polls were declared closed.

The number of names checked on the voting list used by the Ballot Clerks was three hundred and four.

The number of names checked on the voting list used by the Election Officer in the reception of ballots was three hundred and four.

At the close of the polls the automatic register of the ballot-box read three hundred and five, on one occasion the box registered twice. Upon opening the ballot-box four ballots were taken therefrom, which, together with the three hundred previously taken therefrom, made the total number of ballots cast three hundred and four. These ballots were sorted, counted, and recorded, and declaration thereof made in open town meeting by the Town Clerk, and were for the following State and County Officers and for the ratification of certain amendments to the Constitution:—

B. H. DICKSON, Jr., Esq.  
Town Clerk,  
Weston, Mass.

*Dear Sir,*—The Board of Selectmen, acting on behalf of the Town, have accepted from the heirs of the late Charles H. Livermore a gift of a portrait of Amos Harrington, a citizen of Weston during his entire life from 1754 to 1846, a soldier of the Revolution and a town official. Mr. Harrington served as Surveyor of Highways in 1787 and 1794, as a member of the School Committee in 1797, 1799, 1800, and 1802, and as a Selectman of the Town from 1803 to 1805. The Selectmen have expressed the thanks of the Town for this generous gift to the several donors:—

Mrs. Charles H. Livermore, Weston, Mass.,  
Mrs. Alfred L. Cutting, Weston, Mass.,  
Mrs. George B. Newton, Oxford, Mass.,  
Mr. Charles H. Livermore, Middleboro, Mass.,

and request that due notice of this gift and its acceptance may be entered upon the records of the Town.

Yours very truly,

BENJAMIN LORING YOUNG,  
*Chairman, Board of Selectmen.*

Received and recorded, December 14, 1918.

BRENTON H. DICKSON, Jr.,  
*Town Clerk.*
